

Biography for Joe Posern

Joe is a retired Veterinarian that became a Master Gardner in 2007 in Houston. He had installed his first drip irrigation system in 1998 at my house in Houston. He moved to Austin in 2007 and had my yard on the garden tour in May 2011. He converted his sprinkler system to drip irrigation. Joe became an Irrigation Specialist in 2013. He is also a Specialist in Vegetables, Entomology, and Firewise Landscaping.
