

Biography of Jason Alfaro

Jason was born in Victoria, Texas and has had an interest in trees and landscaping since he was a boy. He has been in the landscaping/parks and recreation business for over 15 years. In his position as Parks and Recreation Superintendent for the city he oversees all aspects of the department from budget, policies and plans to projects, and maintenance needs.

Jason is a graduate of Bastrop High School and have multiple certifications in the parks and recreation field. He has been a certified arborist through the International Society of Arboriculture (ISA) since 2012, have held an applicators license through Texas Department of Agriculture (TDA) since 2009 with Pesticide and Lawn and Ornamental categories.

Jason truly enjoy what he does and enjoys seeing the smiling faces of people as they visit our local parks.

Regards,

Jason Alfaro
